

# Tournament Rules

**THERE ARE NO OUTSIDE FOOD, DRINKS AND COOLERS ALLOWED IN SPORT VENUES. ON THE PLAYING COURTS ONLY BOTTLED WATER IS ALLOWED.**

1. There will be NO coaches meeting.
2. Warm ups will be 2-4-4 for every match.
3. All sets require a win by 2 points with no cap.
4. Each team must immediately report to the table at the court where they are scheduled to play. They will provide R1, R2, two Scorekeepers and two Line Judges. These may be changed in between sets as long as it is done quickly and with the referees knowledge and approval.
5. Rules to assign the team rank in the pools after finishing the pool play are:
  - a. Pool match record
  - b. Head to Head result from the pool
  - c. Won-Loss ratio for total number of sets played in the pool (wins/total sets)
  - d. Point Percentage (a team's total points scored divided by the total points scored by the opponents)
  - e. Coin Toss
6. Pool Tie Breakers - A single 15 Point Tie Breaker set, (a win by 2 points with no cap) will be held to determine the finish in the pool for advancement into bracket play if teams are tied based on the pool match record.
7. Step-In Rule is allowed in 11's and 12's Division.

## **A. TWO WAY TIES (two teams tied in match record)**

The number 1 team will be the team which won the pool play match between the two tied teams (head to head).

This procedure will be used for all two-way ties, even those where there is an opportunity to advance to the Gold bracket. (The rationale is: the teams that are tied have already determined the better team through play.)

## **B. THREE WAY TIES (three teams tied in match record)**

I. In a pool with two teams advancing and a three way tie in match record for 1st (in a 4-team pool all teams are 2-1 in match record; in a 3-team pool all teams are 1-1 in match record)

The team with the best games/points percentage record will be ranked as the first place team in that pool and will ref a single tie breaking game between the other two teams

II. In a pool with two teams advancing and a three way tie in match record for 2nd (in a 4-team pool all teams are 1-2 in match record). All three teams will participate in tie breaking games.

The seeds for the tie breaking playoffs will be determined by sequential application of:

1. Won-Loss ratio for the total number of games played in the pool (wins/ total games)
2. Point Percentage (a team's total points scored divided by the total points scored by the opponents in that pool)
3. Coin Toss

The #2 seed will play the #3 seed; the #1 seed will ref. The loser of this game will be 4th place in the pool and will ref the next tie breaking game. The winner of the first game will play the #1 seed. The winner of this game will be 2nd in the pool and the loser will be 3rd.
